

You are invited....

October 18, 2011

Dear Parents,

We are pleased to announce that fifth grade students will soon be taking their laptops home.

We are planning a parent meeting to inform you about the following topics:

- Transportation of the laptops
- Care and handling
- Internet access
- Printing options
- Repair issues
- Shared responsibility

Following the discussion of the topics above there will be time for questions and discussion.

We are looking forward to extending learning with this wonderful tool beyond school hours. We will work together to support students and their families through this experience. We are fortunate to have parents as supportive partners in this process.

The meeting for Ames School and Blythe Park School parents will be held at the Hauser School Auditorium on Tuesday, November 1, at 6:00 p.m.

We are looking forward to meeting all parents and extending this wonderful learning project together.

Sincerely,

Elizabeth Whaley
