

Help Our Classroom Earn Treats by Filling Out & Returning The Survey Below!

Greetings to all families at Ames School,

Whether you are new to our school or have been with us for some time, we all share one thing in common – we want to provide the best education for our children. We offer so much to our students, and that is due in part to the generosity of families like yours. Purchasing Market Day food is one important way to show your support.

Our Market Day fundraising goal for this year is to support all PTA events at Ames School.

We want to make sure that all families are aware of Market Day and how easy it is to participate, and are asking for your help. Please read each of the statements on the next page and check one of the lines on the right. Then fill out the bottom of the form and send it back to your child's teacher.

The classroom with the highest percentage of forms returned by **1/13/12** will win Market Day treats. This will be the only communication about the survey, so please fill it out and send back right away!
