

Readers R Leaders

Congratulations to our readers! As of today the school has read just over 510,000 minutes! Many of our students read over 500 minutes in the January and we are doing great. The school goal of reading 1,000,000 minutes this year is in reach! The students enjoyed their ice cream party last week as a reward for their reading during the months of December and January.

Remind your readers that if they turn in their sheets for February they will be getting a “ball” ticket that can be used to throw one ball at the dunk tank during our end of year dunk-tank-party! Keep reading so that everyone gets a chance to dunk a teacher or staff member!

February forms are due March 4th so please mark your trackers!
