

Be sure to turn in your January Readers R Leaders forms! They are due February 4th this Thursday. We will be hosting another Ice Cream Party this month for all our readers who completed their trackers for December and January.

As of December we were over the 300,000 minutes read as a school, on our way to the 1,000,000 minute goal! I am sure our January Minutes will be right in line to get us marching toward that goal. Remind your students that completing your February reading goals will earn your students a dunk tank ball, to be used during our end of year Dunk Tank Party. They will get a chance to dunk one of their favorite teachers or staff!

Keep reading and watch for notes on this months Reward for December and January Readers!
