

**DEAR AMES PARENTS,**

**Even if you were unable to attend this year's Fall Festival, there is still a way for you to support the cause and get your child a little keepsake of his/her time here at Ames School.**

**This year our very fabulous teachers have graciously created their own square 1 art treasures that can be your child's for years to come. Each teacher has crafted their own original Christmas ornament that you too can hang from your tree year after year, triggering all of those fond memories every holiday season.**

**There are three different shapes to choose from, priced at 13.50 each to be part of the auction, and almost every teacher has created one. Some of them during their last year here...**

**So order them while you can, they can be great stocking stuffers!!!**

**ORDERS DUE: FRIDAY NOVEMBER 18TH  
CHECKS PAYABLE: AMES PTA**

**THANK YOU AGAIN FOR ALL YOUR SUPPORT,  
YOUR FALL FESTIVAL COMMITTEE**
