

September 2010

Dear Blythe Park Parent and Student:

This year, we are happy to continue the **Bank at School Program** at Blythe. The program is a partnership with financial institutions, elementary schools and the State Treasurer's Office. Its goal is to teach children the fundamentals of money management.

We have found that kids love to bring their **deposits directly to the bank**, where they get rewards and occasional prizes. That's why, this year, we are launching the Bank at School Program at Blythe, but students make their **deposits directly to the bank**.

All Blythe students can open a savings account through Riverside Bank for an initial deposit of \$1.00 or more.

Scroll to the next page for the enrollment form if you choose to participate. Just fill out the form and return it, with your deposit, directly to **Riverside National Bank, 17 East Burlington, Riverside Illinois**. Make deposits whenever you want, directly to the bank.

If you have any questions about the program, feel free to contact me at mikeriia@comcast.net. Please put *Bank at School* in the subject line.

Thank you,

Riia O'Donnell
