

Help us fund our Cultural Arts programs with proceeds from the Original Works fundraiser featuring your child's artwork!

Last week magnets were sent home with your child featuring a piece of artwork he/she worked on in Art class. Every year the Original Works fundraiser plays an instrumental part in funding our cultural arts program. Last year the Blythe Park PTA supported the following programs for your child:

- **Marimba mania! By David Hall (1st Day Assembly Program)**
- **Stories, Songs, & Ventriloquist Puppets by Sandi Sylver**
- **Wizard of Menlo Park by Face to Face Productions**
- **The Great American Geography Challenge by American Eagle Productions**
- **50 States in 60 Minutes by Cinema Academy**
- **Macaroni Soup Production by Active Music for Kids**
- **Helen Keller Production by Historical Perspectives for Children**
- **Math and Geography Nights**
- **Global Warming Production by Kids Works Touring Theater Company**
- **Bike Safety Program by BMX Bike Safety**

A sampling of this year's line up is as follows:

- **Boom Troup, Inc. (1st Day Assembly)**
- **Royally Writing by Face to Face Productions**
- **Martin Luther King by Historical Perspectives for Children**
- **Magic Show during the Fun Lunch by Magician**
- **Chemistry by Science Alliance**
- **Rock'n'Roll show by Raisin Rhyme**

Many wonderful pieces of art have been submitted from the preschool and even baby years. Capture those memories by getting the artwork out of storage and onto your walls. Treasure their masterpieces by having them as constant reminders in your kitchen with one of the many products to choose from. Ideas are endless.
