

Be a part of Blythe Park's

FIRST SCIENCE NIGHT

Who: All interested Kindergarten–5th Grade students

What: A Science Fair

When: Wednesday, March 16th from 6:30-7:30pm (set-up after school 3:05-4:15pm)

Where: Blythe Park Gym

NEED TO KNOW DETAILS:

Students will conduct their own science experiment at home to either display or demonstrate at Science Night. Each student's display will be set-up on a card table. There will be no judging. Each student will receive a participation award. Students may work individually or in a group of no more than two students.

Each participating student will be required to follow the five steps of the Scientific Method and complete and bring the Scientific Method worksheet with their experiment. The Scientific Method worksheet, two additional helpful planning worksheets and a resource sheet for experiment ideas can be found on Eback-pack or www.blytheparkpta.org.

All interested students must RSVP no later than Friday, March 4, 2011.

Participation is optional.

My child _____ will be participating in the Blythe Park Science Night on Wednesday, March 16th. I understand that this is an optional activity. All students must be accompanied by a parent/guardian. All experiments must follow the parameters listed below.
