Enjoy an evening with Riverside author/illustrator Janan Cain as she discusses her 3 children's books. Kids of all ages love to draw along with Janan as she demonstrates how to draw 3 simple facial expressions from her best-selling children's book *The Way I Feel*.

Janan Cain is an illustrator and author whose 25-year career spans a range of accomplishments, from illustrations for corporate campaigns and consumer packaging, to branding and communication design for Fortune 500 companies. Her first children's book, *The Way I Feel*, was published in 2000 and has since sold over 1,600,000 copies (and growing) in both hardback and paperback editions, making it among the best-selling children's books of all time. Cain's third book, *The Way I Act*, is a companion book to *The Way I Feel*, and explores ways of behaving and many positive ideas of how to act in a variety of situations.
