Dance Around the World Grades K-2

Description: Dance Around the World is a fun and unique dance program in which students learn dances from different cultures, while making friends and learning about the world. The curriculum includes dances from Europe, Asia, Africa, North and South America. Students learn dances such as Bollywood, Samba, Tarantella and even learn about the origins of Hip-Hop in the USA. All participants receive a personalized dance "passport" to track their journeys. The class is great exercise and fun for both boys and girls! In District 96, the program will run simultaneously in all four elementary schools and then culminate in an exciting joint dance performance. The mix of dances studied at each school will vary, to make for a variety-filled performance that truly takes the audience "around the world." The final class will be two hours in length, as students spend the first hour rehearsing together and the second hour performing for parents. The final class session for all schools will take place in the Blythe Park Auditorium.
