

Children's Art Fundraiser

The Central PTO Children's Art Fundraiser is back for the third year in a row.

The Original Works program offers:

-- **UNIQUE GIFTS** -- What a wonderful way to create lasting keepsakes and unique gifts for the holidays, birthdays...

-- **FOCUS ON CREATIVITY** -- Memorialize your child's creativity and foster self-esteem.

-- **ONE STOP SHOPPING** --Original Works offers over two dozen different products, so there is something for everyone.

-- **QUALITY, VALUE SATISFACTION** -- Quality products competitively priced and backed by a satisfaction guarantee.

The packet was brought home last week with an Original Works order form, paper and product flyer.

Remember, options for creativity are endless. All you need to do is fill an 8 1/2x11 (standard size paper) with your child's artwork, pictures, scrap-booking etc. You received an idea page along with examples of past projects in your packet.

Feel free to check out their web site at Originalworks.com.

Please remember the artwork orders are received prior to our Holiday Break for family gift giving. We hope you will be able to participate!
