

HELP FOR HAITI!

Attention: All staff, students and Central School families...

The people of Haiti have been devastated by the recent earthquake. They are in need of so many basic things that we take for granted.

Mrs. Melinda Cribaro, who works in our school office, has visited Haiti several times to help the impoverished people. She is personally acquainted with others who are regularly based in Haiti with New Hope Missions International, Inc. Right now the main need is funds to buy water, medical supplies, food, clothing, etc. She will personally forward any monies collected to her contacts in Haiti. 100% of your donations will be used for earthquake relief.

If you are interested in helping, please drop off your cash donations or checks in the Central School Office by Friday, January 29th. All checks are tax deductible and should be written to New Hope Missions International, Inc. Be sure to designate "Project: Earthquake Relief" in the memo part.

Thank you for your generosity!
