

Dear Central Parents,

The school library has a long tradition of dedicated parents volunteering their time to help provide a high level of service to our students. Historically, volunteers have come into the library to read to students and to help shelve all the returned books.

As our student population has grown, so have the number of parent volunteers needed to accommodate student needs and library operations. In an effort to better serve our many volunteers, we would like to introduce a new PTO committee, through which we will be able to provide better communication and training in library responsibilities.

Our new library committee will be organized through the PTO and guided by the library staff. The committee's responsibilities will include all of the current library volunteer activities under a new, organized system.

Current library volunteer responsibilities include:

1. Reading to students
2. Shelving books
3. Shelf reading
4. Book covering
5. Book repair
6. Bulletin boards

The committee will have a chairperson who will continue to be the library volunteer coordinator and the liaison between volunteers and library staff. In addition, there will be four committee members that play lead roles in the areas of responsibility listed above. If you are interested in being on this committee, please indicate in which of the above areas you would like to be involved on the PTO Volunteer Sign Up Sheet.

Please consider volunteering to be on this important committee!

Warmest regards,
Jeannine Glavis
Gail Bieschke
Ellen Nolan
