
Computation Club:

Addition, Subtraction, Multiplication, Division... Grades 1-2 and Grades 3-5

STUDENTS, YOU'RE INVITED!

After School Math Computation Club - District 96

Are you looking for extra practice with math? Are you interested in working with your friends and favorite teachers on some fun games and challenges? Well, is this the right club for you!

Computation Club

Any interested students are invited to join the after-school Math Computation Club. Each elementary school (Ames, Blythe Park, Central, and Hollywood) will offer groups for students in grades 1 through 5. Students will meet from 3:10-3:55 p.m. one session per week for 5 weeks during this time frame: February 6th - March 9th

If you're interested, please have your parent return the attached form to your classroom teacher by Friday, February 3rd.

Thank you, and have fun!

Math Computation Club
February 6 – March 9, 2012

Dear Parents,

Thank you for your interest in the District 96 Math Computation Club. The club will run for 5 weeks at your child's school, from 3:10 until 3:55. Note that all students need to have transportation arranged prior to attending the club.

Please complete the form below and have your child return it to his or her classroom teacher as soon as possible. Class size is limited to 20 students, and it will be filled on a first come, first serve basis.

Thank you for your support!

Sincerely,
Dr. Janice Limperis
Director of District Learning Systems & Elementary Programs
limperisj@district96.org
