

Central School Safety Message

We need your help keeping our students safe in the morning as they arrive at school and in the afternoon when they are returning home.

In the morning, if you drive your children to school, **PLEASE:**

- Drop off your child and drive forward so that other cars may pull up to the curb.
- Complete morning routines at home. Doing things like signing permission slips or notes, eating breakfast, or reading books, ties-up the drop off lane.
- Only use the lane closest to school for drop off. **DO NOT** drop off children in the middle or far lane.

Before and after school:

- The PAV YMCA program is in session in the gym. Use the cell phone number provided by PAV for pick-up and for all communication with the program. The building doors are locked. This is for the safety of all children.
- Observe the supervision times: 8:05 to 8:20 A.M. and 3:05 to 3:20 P.M.
- Keep dogs on the **WEST** side of the street. Dogs are not allowed on school property.

After school:

- Group leaders for after-school activities should have students ready for pick-up at the front doors, by the office.

**THANK YOU FOR YOUR COOPERATION
AND COURTESY TO THE STAFF WHO ARE
ON DUTY TO HELP THE CHILDREN!**
