Shop Online for School Supplies and Have Them Delivered to the Classroom!

Shop for your child's school supplies from the comfort of your own home! Do your school supply shopping with us in April and avoid the shopping hassles in August!

Central School PTO will be offering school supplies for the upcoming school year once again. If you would like to purchase a packet you will need to follow the instructions below.

The website will begin accepting orders on April 12, 2010 and remain open until April 23, 2010. The website will shut down and no orders will be accepted after the April 23rd deadline. Packs will be delivered to the school and brought to your child's classroom in time for the first day of school. No more lugging that heavy box home in June and then back in August! We've made it so easy!

By purchasing your supply pack through the school, you will be assured your children will have the right supplies when school starts. And you save time by not having to fight the crowds searching for those hard-to-find items.
