

Holiday Specials Collection

The holiday season is upon us and let's be sure to remember how hard **ALL** the staff works at Central School! Each year the PIO takes up a collection and distributes gifts in the form of gift cards to 30+ staff members that are not classroom grade level teachers.

These include the wonderful ladies who work in the office, the art, music, and physical education teachers, the librarians, the Quest teacher, the reading specialists, custodians and nurse to name a few. The collection is completely voluntary - anything you feel comfortable giving is most welcome.

Please place your money in an envelope (clearly marked "specials collection") and turn it in to the PIO mailbox in the school office no later than **Friday, December 10th**. (If you need to write a check, please make payable to Central PIO). Thank you in advance for your generosity!
