

PRESS RELEASE

The Riverside Public School District 96 Board of Education, at a meeting held on January 15, 2008, voted to eliminate the half-day Kindergarten Enrichment Program beginning with the 2008-09 school year.

The administration was asked by the Board to begin development of a transition program for those kindergarten students who would benefit most from additional instructional time. A proposal will be brought to the Board for consideration before the close of the school year.
