August 20, 2009

Dear Hauser Parents:

District 96 is working hard to be environmentally responsible. This year our schools will move toward paperless communication. Whenever possible, we will provide electronic communication regarding upcoming events and other notifications. You may find District 96 and Hauser information in several places:

- Announcements on the District 96 website: www.district96.org
- Announcements on the Hauser website: www.district96.org/hauser/
- E-Backpack will be a link on the Hauser website. It will be operational on September 1st. Any notice that would have been sent home with students in the past will be listed on E-Backpack.
- PowerSchool bulletin on the Parent/Student portal: <http://209.7.33.8:8080/public>
A link to PowerSchool is on the Hauser website for easy access.
- The PowerSchool feedblitz feature will be activated in September. Please be sure that your registration documents included your correct email address so that you will receive feedblitzes.

If you do not have internet access at home, local libraries all provide computers with internet access. If you are unable to take advantage of these resources, please contact the school secretary to make arrangements to receive school and district communications. Until we are fully paperless, you will occasionally receive some communication by U.S. mail. Thank you for your flexibility as we make this important transition.

Yours truly,

Leslie Berman
Principal

Riverside Public School District 96
