

HAUSER OPEN HOUSE

Thursday, May 14
7:00 - 8:00 p.m.

Be part of the excitement as Hauser teachers and students share this year's outstanding projects and honors!

Special Open House Events:

4th Annual Art Show and Sale: Come to the Cafeteria and LRC and support our budding artists! Student artwork and photographs will be for sale and 50% of the proceeds will be donated to Jen's Kids, an outreach program of the Riverside Arts Center that provides therapeutic art activities for children who are hospitalized.

Science Fair: Learn something new about science! 7th and 8th grade projects will be on view in our science rooms.

Jump Rope Routines: Student-choreographed jump rope routines will be on view at the south end of the cafeteria hallway.

World Percussion: Students enrolled in this trimester's World Percussion class will perform their African-influence original composition in the auditorium at 7:00 p.m.

SMART Club Student/Parent Meeting: Please join us in the auditorium at 8:00 p.m. for a slide show of the year's events—and we will select the four winners of the 50/50 raffle. The entire meeting will last 35 minutes.

And Much More! Visit classrooms, view technology presentations in the Computer Lab, and enjoy the authentic student work displayed throughout the school.
