What: Informational meeting for parents of 8th graders

When: Wednesday January 27, 2010

Where: Hauser Auditorium

Time: 7:00 - 8:00 pm

Topic:

Eighth grade students will participate in a fun interactive educational opportunity May 5-7, 2010. This three day/two night trip will purposefully engage Hauser students in an exceptional experiential education program that will provide specially designed activities and focused reflection to:

- increase social/emotional knowledge
- develop self-awareness skills
- clarify values
- support drug/alcohol free behavior

By the conclusion of this program students will have the tools to support a positive self concept and resist negative peer behaviors such as drugs and alcohol.
