

Beginning in January 2011, Hauser administrative interns will be piloting a Math Lab tutoring program for sixth grade students. Sixth grade teachers will be recommending students for additional support in Mathematics. Seventh and eighth grade students will have the opportunity to apply to be a Math Lab Coach.

Math Lab will take place during advisory, one to two days each week, depending on your child's schedule. If you have any questions please contact:

Ms. Johnson - johnsona@district96.org

Mr. Harvey- harveyd@district96.org

Ms. Kempe- kempek@district96.org
