Each year, parents have the opportunity to put a personalized message in the yearbook. When students receive their yearbook, this is the section that most of them turn to first. Eight of these notes will appear on each page at the end of the yearbook. The cost of each message is \$25.00. We also offer an option of including a picture with the message which costs \$30.00 total. You may want to keep this a secret so it is more of a surprise when the yearbooks are distributed the last week of school.

If you choose to give a picture, try to find one that is taller than it is wide to fit the proportions. If you choose this option, your message must be a little shorter.

This year we would like to encourage you to send us the pictures electronically as a .jpg file. If you do so, please send the .jpg file to konciuska@district96.org and write in the subject line **Yearbook Message – child’s last name**.

If you choose to send a hard copy and would like it returned to you, include a self addressed stamped envelope with your.

Fill out the attached form and return it to the Yearbook Box in the Hauser Office or mail it to the school attention: Yearbook Message. The final deadline is Friday, February 4. If you have any questions please call Mrs. Koncius at 708-447-3896 or e-mail konciuska@district96.org.

Please note: This fee does NOT include the purchase of a 2010-2011 yearbook.
