

Dear Hauser Students and Parents,

We are pleased to announce the session 2 after-school clubs in this brochure. The exciting co-curricular selections offered are the result of suggestions made by Hauser students, parents, and teachers. Whether your interests range from literature and technology to food, fitness, or games - we have something for you!

Each of our students strives to develop his or her interests and talents. At the middle level, students work to determine their places in the world as they experience significant growth. We hope that each student will choose to participate in one or more of these engaging activities.

Sincere thanks go to the teachers and paraprofessionals who have created these outstanding clubs; Mrs. Westin for coordinating and administering the program; and to Dr. Jonathan Lamberson and the District 96 Board of Education for their generous support.

Sincerely yours,  
*Leslie Berman*  
Principal

## Session 2 Meeting Dates

Sessions will meet from 3:30 - 4:30 p.m.

### Mondays

1/23, 1/30, 2/6, 2/13, 2/27, 3/5, 3/12, 3/19

*9th & 10th sessions will be determined by the instructor*

### Tuesdays

1/17, 1/24, 1/31, 2/7, 2/14  
2/21, 2/28, 3/6, 3/13, 3/20

### Wednesdays

1/18, 1/25, 2/1, 2/8, 2/15  
2/22, 2/29, 3/7, 3/14, 3/21

### Thursdays

1/19, 1/26, 2/2, 2/9, 2/16  
2/23, 3/1, 3/8, 3/15, 3/22

Students who apply for clubs are not guaranteed placement. In the past, enrollment has been done on a first-come first-served basis; however due to high interest, requests for clubs may exceed the number of spots available.

Therefore, a lottery will be held to give all students who apply a fair chance for placement. Waiting lists will still be maintained in the case that spots open up. **Enrollment forms are due by Thursday, January 12, 2012 by 3:30 p.m.** If the enrollment form is not turned in by this date, your child will not be in the lottery drawing, if one is necessary. Clubs that do not enroll a minimum number of ten students will be cancelled. Parents and students will be notified whether or not they have been placed in a club.

Please contact Mrs. Westin,  
Co-Curricular Coordinator,  
with any questions.

# Co-Curricular Offerings

## Mondays

### Book & Library Club

*Mrs. Julian - LRC*

Would you like to get involved with your Hauser library? If your answer is yes, then join the book and library club! Not only do we discuss books, we also make the Hauser library an exciting place for you and your peers!

### Super Science

*Mrs. Potempa - Science Lab*

Come discover many science concepts through hands-on experimentation Part 2! Back by popular demand, we will continue to learn how to safely use the Bunsen burner and at the same time make delicious S'mores. We will also use the Bunsen burner to identify chemicals. Many chemistry characteristics such as pH and slime will be tested and observed. We will learn about density and why a submarine floats and sinks. Physical and chemical reactions will be explored as we create Elephant Toothpaste and use snow to make ice cream! *(students may only enroll for one of the two days that this club is offered)*

## Tuesdays

### Chess Club

*Mrs. Byland - Room 202*

For thousands of years, people have enjoyed the game of chess. We here at Hauser do not want to miss out, so join the fun! All levels of experience are welcome.

### Fitness Club

*Ms. Wydra - Fitness Room*

Want to get in shape with other Hauser students? Join the fitness club! We'll spend an hour each week practicing healthy exercise habits while having fun! Workouts will consist of stationary bikes, ellipticals, video-workouts, free weights, and more.

### Puzzle Club

*Mrs. Kayastha - Room 205*

Do you like Sudoku? KenKen? Any kind of logic puzzles? Then join the puzzle club! Come work on puzzles and logic games with your peers!

### Super Science

*Mrs. Potempa - Science Lab*

Come discover many science concepts through hands-on experimentation Part 2! Back by popular demand, we will continue to learn how to safely use the Bunsen burner and at the same time make delicious S'mores. We will also use the Bunsen burner to identify chemicals. Many chemistry characteristics such as pH and slime will be tested and observed. We will learn about density and why a submarine floats and sinks. Physical and chemical reactions will be explored as we create Elephant Toothpaste and use snow to make ice cream! *(students may only enroll for one of the two days that this club is offered)*

### Yummo Cooking Club

*Mrs. Cooper - 1st Floor Faculty Lounge*

Learn the basics of cooking, measuring ingredients, using the proper tools, and eating some delicious food! *(students may only enroll for one of the two days this club is offered)*

## Wednesdays

### Gaming Club

*Mrs. Blondin - Room 206B*

Do you spend your free time playing computer, video, or other games? Do you want to try something new? Then join the gaming club! We will be exploring all types of games, including board games, card games, role-playing games, and video games.

### World Drumming & Percussion

*Ms. Twohill - Band Room*

Learn to play the drums and different rhythms from around the world! Latin, African, and Asian countries will be covered.

### Writing Club

*Ms. Kovar - Room 209*

Do you like to write? Would you like to be part of a group that works together, sharing their writing to become better writers? Join the writing club! We will spend some of our time writing. We will also share and discuss our writing. You will write about topics of your own choosing. Your input will help shape the club. You will help with Hauser's annual writing contest.

## Thursdays

### Card Crafting

*Mrs. Byland - Room 202*

Join this club and create wonderful handmade greeting cards for every occasion. Two cards per session will be made. All supplies will be provided.

### Computers - Inside and Out

*Mr. Ahlenius - LRC*

Learn how a computer works from the hardware level. Students will look at the inside components of a computer by taking it apart, thereby gaining a better understanding of basic troubleshooting skills. Both laptops and desktops will be used.

### Publicity - Graphics Club

*Mrs. Cooper - Room 206A*

Do you enjoy using different computer fonts and adding pictures to documents created on the computer? Show off your ideas, artistic talents, and creativity by making posters to advertise all of Hauser's events. Join the publicity graphics club with a friend and have fun while working together!

### Yummo Cooking Club

*Mrs. Blondin - 1st Floor Faculty Lounge*

Learn the basics of cooking, measuring ingredients, using the proper tools, and eating some delicious food! *(students may only enroll for one of the two days that this club is offered)*
