

# Holiday Gift Shoppe 2009

## Friday, December 4th

Holiday Gift Shoppe is a very jolly event where the children select and purchase gifts for family and friends in our very own Santa's Workshop. It's wonderful way to get into the spirit of the season. We need lots of volunteer "elves" to make the day a success. Help is needed on the following days:

Thursday, December 3rd 12:30pm-? We need help transforming the gym into a winter wonderland with decorating and setting up the gifts for purchase.

Friday, December 4th - We need elves to help the children select, purchase and wrap their gifts during morning and afternoon shifts, as well as cleaning up after the Gift Shoppe.

Please call Jennifer Perry (387-1393) or Lisa Buffo (387-1248) for more information.

Please return this form to the office by Friday, November 20th!
