

We are pleased to announce the 2010-2011 Hollywood School PTA Student Directory!! You can either view the directory on-line (for the most updated information) or print the directory.

To view and/or print the most recent directory, simply go to www.hollywoodpta.org and click on Hollywood School Directory. In order to access the Hollywood School PTA Directory, log-in with your e-mail address as it appears in the directory. You will also need to supply the first name of your oldest child **currently attending Hollywood School**. This is only necessary the first time. The information will be stored for subsequent visits.

You can then print either the Directory or the Grade List. Should you have any questions, please let us know. If you are unable to print/view the directory, please contact either Art Perry at arthur.r.perry@gmail.com or Nancy Bitzer at nbitzer@fdic.gov.
