

Change Your Child's Artwork into Art to Remember

Hollywood students have been busy in the art room creating some BEAUTIFUL masterpieces, which we've just sent to the Art to Remember Company. In the next few days, you'll get to see that artwork in the form of a magnet. You'll have the opportunity to purchase that magnet and/or lots of other items featuring your child's masterpiece (great for gifts). A full item listing and prices will accompany the magnet.

All orders are due to the main office by **Oct. 25th** to ensure orders are received before the holidays. If you would like a sibling to make a creation or would like to make additional creations, "magic" paper and order packets are available in the main office.
