

Artist in the Classroom

GREETINGS ALL!

WHAT:

We are starting the **Artist in the Classroom** series again and I'm coordinating dates with both the classroom program and eager available volunteers to present to the each class throughout the year.

HOW:

For those of you unfamiliar with this program, it takes place four times a year for each grade level. A parent volunteer comes to class to discuss a particular artist and work, and then helps the kids complete an art project based on the piece, subject matter or style. Presentations last about 45 minutes; all materials are provided for you, bio & background on the artist, project ideas, and even art supplies. It's a really interesting & fun program which both kids and teachers enjoy.

WHEN:

Each teacher has already been consulted for preferred dates and times. If you are interested in participating please call or email me to sign up. Be on the lookout for an email with the dates and times available for your child's room. I'm sure you'll have fun if you take the leap!
