Parents, Guardians & Caretakers of Schoolchildren

Riverside Police Department would like to remind everyone of the danger of using a cell phone (for any reason) while in a school zone.

ILLINOIS VEHICLE CODE; 625 ILCS 5/12-610.1(e)

A person, regardless of age, may not use a wireless telephone at any time while operating a motor vehicle on a roadway in a school speed zone established under section 11-605.1.

Recently, officers working intensified enforcement in school zones, issued several citations to motorists who violated this law. Over a year ago, on January 1, 2010, this law went into effect, but surprisingly, nearly everyone ticketed, was not even aware of the law.

The Safety of Our Children Comes First

Remember; STOP using your cell phone when driving in a school zone.

Safety of children in this community is the top priority of Riverside Police Department and we will continue to enforce this state law *aggressively*.
