

FALL PARENT NIGHT

Thursday, September 16

7:00-8:30

You are cordially invited to join us on Thursday evening, September 16th from 7:00-8:30 for Hollywood School's Annual Fall Parent Night. This evening is designed for parents to learn about curriculum information, instructional goals, special initiatives, classroom procedures, and much more. This is an excellent opportunity to establish and continue partnerships with your child's teacher, which form an important link between home and school.

We will begin as a whole group in the gymnasium, followed individual classroom sessions. All teachers will deliver two sessions on this night, enabling parents with more than one child to have the opportunity to hear attend more than one session. The schedule for the evening is as follows:

7:00 – 7:20: Meet in the gym for welcome remarks from Miss Keller, staff introductions, and PTA information

7:25 – 7:55: Classroom Session #1

8:00 – 8:30: Classroom Session #2

During classroom sessions, teachers will allow time to answer general questions. If you have any questions specific to your child, please arrange for a conference to be held at another time.

We look forward to an informative evening and a great school year together!

Sincerely,

Mindy Keller
Principal, Hollywood School
