August 16, 2010

Dear Hauser Students and Parents:

Welcome to the 2010-2011 school year! I am confident that through our continued tradition of excellence our students will experience new, exciting opportunities for growth. The Hauser program is designed to promote not only academic growth and achievement, but also growth in the social, emotional, and physical domains. This is a time of great transition for our students. Our team approach is an effective way to support our early adolescents, therefore it is my hope and expectation that all students, parents, and school personnel will work together toward the same goal—the success of our students in the coming year.

Our first day of attendance will be Tuesday, August 24. Students will attend school from 8:45-11:30 a.m. on this day. The periods will be shortened to allow students to meet each of their teachers. Regular hours of instruction at Hauser are: 8:45 a.m – 3:23 p.m. (except for early release days when students are dismissed at 11:30 a.m.).

Please take a moment to access the Hauser website at <http://www.district96.org/hauser/> and the district website at www.district96.org to sign up for email notifications. Our primary means of communication is electronic, so Hauser and District 96 news and information is just a click away. Check our websites often for announcements and e-backpack—and be sure that we have your current email address (you included it in your registration paperwork) to facilitate important updates. PowerSchool can be accessed through the Hauser website for grade reports and bulletins.

Thank you in advance for doing your part to help our district be environmentally responsible as we move toward paperless communication. If you do not have internet access at home, local libraries all provide computers for public use. If you are unable to take advantage of these local resources, please contact the Hauser school secretaries to make arrangements to receive hard copies of school and district communications.

Additional highlights regarding Hauser procedures are included subsequent announcement pages. Enjoy the last few days of summer. All of us at Hauser look forward to seeing you next week!

Yours truly,

Leslie Berman
Principal
