What do I need to register a returning student?

Every spring, registration materials will be posted on the District 96 website, for families who have students returning to District 96 for the following school year. To ensure that your child is included on a class list, all registration forms and fees must be received by the date indicated on the website. Please reference

What health examinations are required?

The Illinois School Code specifies that physical examinations are mandatory for children entering ECE, kindergarten, as well as all students new to District 96. A dental examination is required for children entering kindergarten and 2nd grade, as well as all students new to District 96. An eye examination is required for children entering kindergarten, as well as all students new to District 96. These should be provided with registration.

Are there yearly fees that I am required to pay?

Yes, there is a yearly fee that is required for each child at the start of each academic year. The fee varies per grade level and can be found on the District 96 webpage. Please reference

<http://www.district96.org/resources/2011-12-registration-returning-students/> for a complete list of fees.

What are the school supplies necessary for my child?

Each grade level issues its own school supply lists. This list may change slightly from year to year. Supply lists can be found on the District 96 website at <http://www.district96.org/resources/school-supplies/>. The PTA offers school supply kits, which contain most of the necessary supplies for each grade level. These kits are available for purchase in the spring.

II. Daily Life

A. Routines

What time does school start?

The entry bell rings at 8:10 a.m. and the tardy bell rings at 8:20. Children not in their classroom at 8:20 a.m. are considered tardy.

What happens if my child gets to school after the last bell?

Students should report to the office and then report to class.

What are the school hours for a typical school day?

AM ECE: 8:45 – 11:15

PM ECE: 12:20 – 2:50

AM Kindergarten: 8:20 – 11:15

Grades 1-5: 8:20 – 3:00

What are the hours for an early release day?

ECE: 8:45 – 11:15

AM Kindergarten: 8:20 – 11:15

Grades 1-5: 8:20 – 11:25

Does Hollywood have the same hours as other district schools and Riverside Brookfield High School?

No. Hollywood's schedule is different from the other district schools to help clear our campus before Riverside Brookfield High School dismissal. Please reference the district Parent Handbook on the district website for more information.

What are the traffic procedures for pick-up and drop-off?

Please use Hollywood Ave. as a one-way, going north, during school hours. Please keep traffic moving by letting kids out quickly at the wide sidewalk north of the crosswalk. The area between the crosswalk and the fire hydrant is the "moving drop off" zone. If you need to get out of your car to assist your children, please pull up beyond the fire hydrant and park. Please do not park on the west side of Hollywood Ave. or in the crosswalk zones. Please adhere to directions from staff members on duty. A detailed traffic map is included in Appendix A, at the end of this handbook.

If I drive my child to school can I park at the curb and wait for the bell to ring?

Yes, but only along the curb north of the gym. The curb space south of the gym needs to remain clear for those dropping off and picking up.

Through what door does my child enter the school?

Students are separated by grades and enter the school through different doors. Please refer to the detailed map at the end of the handbook for more information.

Can students ride bicycles or scooters to and from school?

Students in grades 3-5 are permitted to ride their bicycles to Hollywood School as long as they obey the safety rules, walk the bike while on school grounds, and lock the bike to the bicycle rack. Please refer to the Parent Handbook for more detailed information. Skateboards, scooters, and roller blades are not permitted on school grounds during the school day.

What if I am running late for pick-up?

Daily and prompt pick-up is highly encouraged. Emergencies do happen, in which case, please inform the school office (708) 485-7630 by 2:55. The teacher will be notified and your child will be sent to the office to be picked up there.

Who is allowed to pick up my child from school?

Parents/guardians or Emergency Contacts (as submitted by the parent/guardian on registration forms) are allowed to pick up a child from school. If your child is going home with anyone other than these individuals, a letter must be sent to the teacher in advance, stating your permission for the child to be sent home with another adult. This also includes all play-dates.

Is outdoor supervision provided before and after school hours?

One staff member and student patrols will be located outside before school, beginning at 8:00, and after school, extending through 3:15. Therefore, no students should be on school grounds before 8:00, or after 3:15 without parent/guardian supervision. Students are not allowed to play on the playground equipment before or after school without parent/guardian supervision.

B. Absences

What if my child needs to enter or leave school other than the scheduled times?

If your child will be late, please try to notify the office by 8:30 a.m. When arriving, please sign him/her in for the day. If your child will be leaving early, please go to the office and sign him/her out. As a courtesy, send a note to your child's teacher that morning so your child will be ready at the office when you arrive to pick him/her up.

What if my child is sick?

If your child will be staying home sick, please notify the office at 485-7630 by 8:30am. You can call 24 hours a day and leave a message on the absence line if the office staff is not available. If your child becomes ill while off school grounds for lunch, please contact the office immediately. This is an important safety measure for your child. Please do not email absences to the office. Reference the Parent Handbook on the district website for more information.

How do I know if my child is too sick to go school?

Consider keeping your child home if he or she:

- Has a fever 99 degrees or higher
- Has been vomiting
- Has symptoms that prevent him or her from participating in school such as:
 - √ Productive coughing, sneezing
 - √ Headache, body aches, earache
 - √ Sore throat

Reference the Parent Handbook on the district website for more information.

What if my child becomes sick at school?

Your child will be sent to the nurse or, if not available, the office for evaluation. If the student needs to go home, parents or emergency contacts will be contacted to pick up your child. If the student can stay at school, a note describing the nurse's office visit will be sent home.

Can a parent or sibling pick up homework/missed assignments at the end of a day, after a student has been ill?

Yes, when you report your child's absence, please notify the office that you or a sibling would like to pick up your child's homework at the end of the day.

What if my child needs medication during school hours?

Please notify the nurse by completing the appropriate forms found at <http://www.district96.org/resources/nurses-office/>. All medication needs to be stored by the school for student safety. More information can be found in the district Parent Handbook.

What if my child is going to miss school due to vacation or scheduled appointment?

Please notify the school office and the teacher well in advance for a vacation or the morning of an appointment.

Can I pick up homework assignments prior to a vacation?

Because of the nature of the classroom learning experience, it is district policy not to provide textbooks or homework assignments prior to a vacation period during which school is in session. When the student returns from vacation, make-up assignments, which lend themselves to independent work, will be given by the teacher. Normally, a student will be given an amount of time equal to that of the absence to complete assigned make-up work.

C. School Rules

Detailed information about rules and discipline procedures can be found in the District 96 Discipline Code, located at <http://www.district96.org/resources/discipline-code-2/>.

You may drop it off in the office, with your child's name and grade indicated on the item. This will be delivered to your child's classroom by our office staff. The school does not provide snacks for students, and students are not allowed to share, due to safety and food allergies.

Can I send special snacks for the class on my child's birthday?

Parents are asked not to send cake, cookies, toys, or any type of treat on a child's birthday or on holidays throughout the school year. Although the desire to supply these treats may be motivated by a very commendable attitude on the part of the parents, they lead to many obvious difficulties should the practice become general and be repeated many times during the year. Invitations to parties held outside the school may be distributed at school **only** if each child in the class has been invited.
