## Dear Hollywood Families & Friends

The additional new equipment has arrived. By using the Campbell's points, the twist ball hops are now available for students to use during the indoor recess.

Let's keep up the strong effort for the 2010/2011 school year! Please save the UPC code from the Campbell's labels for collecting points. If you drink V-8 products, please save the lids. Box Tops must include the expiration date. Please be careful not to cut those off.

If you need to know the participating products for Box Tops and Campbell's Labels, go to the web sites,

If you have any questions, please e-mail or call me at hey\_nori@hotmail.com or 708.459.8710.

Thank you for your supports and contributions!
