Dear Hollywood Families & Friends

The Campbell's Labels for Education program now has **E labels for education** until June 2011. Every time you shop with a shopper card from Dominick's, which is the closest participating grocery store, Hollywood School will earn 1 point per eligible product. All you need to do is have a shopper card and register at www.elabelsforeducation.com. Please select Hollywood School when you register.

You can still clip and save the UPC code and V-8 lids in addition to the E labels! That means we can earn points **twice** on the same product!!!

For the pizza contest, those who participate in the E labels for education may print out the account history page from the web site and send them in to school. I can then keep track of the e-points for each class.

If you have any questions, please e-mail or call me at hey_nori@hotmail.com or 708.459.8710.

Thank you for your support and contributions!
