Each year the National PTA sponsors the Reflections Program. This program encourages children in grades Kindergarten through 12th grade throughout the nation to explore their artistic talents. We encourage you to unleash your child's talents by encouraging participation in this wonderful program. To participate, your child needs to interpret this year's theme "**Together We Can**" into one of six art categories. A brief explanation of each category is provided below to get your creative juices flowing.

- **Literature:** Poetry, Prose, Drama, Short Stories, Song Lyrics, Fiction and Non-Fiction
- **Musical Composition:** Scores of original composition, with or without words, accompanied with CD, not exceeding five minutes.
- **Photography:** Color or black and white prints or collage of photographic prints measuring up to 11×14 inches, including mat.
- **Visual Arts:** Painting, drawing, collage, printmaking, needlework, computer art up to 20" x 24"
- **Dance/Choreography:** DVD, not to exceed five minutes
- **Film/Video Production:** All aspects of the film must be done by the student on DVD not to exceed five minutes.

How does the program work? Your child creates an original work of art in one of the six categories listed above. Each submitted piece will be forwarded to our local PTA District for judging. Winning artwork at the PTA District level will be part of a state wide traveling tour. The art work of three Hollywood students were part of this tour last year. PTA District winners will move on to the State level. Reflections Program awards culminate with a national winner in each of the six categories. Take a look at the National award-winning entries in the PTA Reflections Program gallery at [www.ptareflections.org](http://www.ptareflections.org)

All Hollywood entrants will be recognized at the spring award assembly. The Reflections Flier, General Student Participation Rules and the Official Entry Form are attached. If your child will be entering, please contact Callie or Jennifer L. or check out [http://www.ptareflections.org/cs/general\\_student\\_rules](http://www.ptareflections.org/cs/general_student_rules) for a copy of the detailed rules for their category of interest and a student entry form. All entries must be received to the school office by **Monday, November 29th**. Look forward to your creations.
