Dear Hollywood Families and Friends

Thank you very much for your contributions to Box Tops and Labels for Education collection! We collected over 6,400 Box Tops and over 6,300 points of Campbell's Labels this school year! When we work together, small things can be accumulated and turn into a big thing. What a success! You are making the Hollywood a better place!

First place goes to the 5th grade.
Second place goes to the 2nd grade.
Third place goes to the 4th grade.

Congratulations!!!

*The pizza party date will be announced to the 5th grade after the date is chosen.

Please remember that the UPC code from the labels is what is needed. Except for V-8 products, beverage caps are required for the collection. Now, there are 10 point products, Pop Secret®, available. Box Tops need to include the expiration date. Expired labels are void, so please turn them in before the date.

Let's keep collecting them through the summer!

Special thanks to Joyce Clarkson for her outstanding contributions!
