✧ Calling all Veterans ✧

Please invite parents, grandparents, neighbors, friends, brothers, and sisters to attend our celebration. All veterans are welcome to attend and speak at our assembly.

LEARNING ABOUT OUR VETERANS

In music class we talk about who veterans are and what they do for us. The first part of this is what makes someone a veteran. The answer that we use in class is they are people who have been in the armed forces. We then discuss what the armed forces are (Army, Navy, Air Force, Marines, and Coast

Guard.) After this we talk about what veterans have done and do for us. The answer that we come to is that veterans are people who gave their time and effort to keep us safe and free. Please talk with your children about these topics at home all year, but especially on Veterans Day!

Come for the celebration stay for the food

After the celebration we will have a gathering place for veterans and their families to meet and talk with each other. We encourage all in

attendance to take part in this wonderful time of story telling and thanksgiving.

Students can practice at Mr. Howes' website.

*W*ithout the brave efforts of all the soldiers, sailors, airmen, and marines and their families, this Nation, along with our allies around the world, would not stand so boldly, shine so brightly and live so freely.

Dear _____,

My school is having a celebration for Veterans Day on Friday, November 11, 2011. I know that you will not be able to come to our celebration, but I would like you to know that I will be thinking about you on this day. Thank you for your service. I am proud of you.

Kindergarten Information

Kindergarten parents,

Our Veterans Day program will be taking place in the afternoon of November 11. Your child's participation in this event is voluntary. We would love to have as many kindergarten students as possible attend. We have been working hard on our song for this concert and we would love to be able to perform for everyone.

If you decide to attend the performance here is what you need to know.

- Students will go to their classroom at 1:15 where they will be lined up by a staff member. Parents/guardians will return to the gym for the performance.
- Students will perform second on the program (approximately 1:40).
- Students will leave the stage and sit with their parents/guardians.

If you have not attended one of our Veterans Day programs before you will want to make sure you are able to stay. In my opinion it is one of the best days of the school year. Please feel free to use the invitations above to invite people you know who are veterans to our performance. This day is about them and would not be the same if they were not there.

If you have any questions about the procedures for this day, or anything else please feel free to contact me. The best way is through e-mail (I am only at Hollywood School Monday morning and Friday afternoon). My e-mail address is howesw@district96.org, or you can call or write a note. I look forward to seeing as many of you as can come on Friday, November 11!
