PTA/PTO STUDENT DIRECTORY INFORMATION

The PTA/PTO will use the information you provide on this sheet to prepare a student directory.

Every family is asked to complete one form per school (if you have elementary children and junior high children, you will need to complete more than one form).

To facilitate communication between parents and classroom teachers and parent-to-parent communication, the PTA/PTO will publish e-mail addresses in this year's student directory. If you do not want your e-mail address listed, leave this section of the PTA/PTO Student Directory Information form blank.

- Please check here if you **do not** want your telephone number listed in the directory.
- Please check here if you **do not** want to receive PTA/PTO information via e-mail.
