Illinois Textbook Loan Program

Dear Parents:

Current legislation of the State of Illinois provides funds to purchase student textbooks. Under this act, one textbook, of our choice, per participating student is supplied by the State of Illinois until approved funds are exhausted. This act is entitled Secular Textbook Loan Program. The guidelines of the program stipulate that the school district may take part only if parents, guardians, or students elect to participate by signing a request form. The Riverside Public Schools have participated in this program for over twenty years and have received in excess of \$210,000 worth of texts.

We recommend you sign the form below and return it with your child's registration packet to enable the Riverside Public Schools to enroll your child in this program. Your signature on this form will remain valid as long as your child is in the Riverside Public Schools. If you do not wish to take part, please indicate that on the form. For more information, please call me at 708-447-5007.

Serving Riverside District 96 Students,
