

Riverside Police Department and District 96

Important Safety Reminders

Dear Parents,

As we welcome the new school year, it is a great time to revisit traffic and parking safety procedures and expectations. In past years we've witnessed some potentially dangerous incidents in the drop-off/pick-up areas. All of these incidents can be avoided by all drivers following these traffic/parking expectations:

- Please use extreme caution while in the presence of children in the area of the school.
- Please drive slowly and refrain from cell phone use while driving through the drop-off/pick-up zones.
- Please DO NOT leave your vehicle while in the drop-off/pick-up zones.
- If there is a need to go into the school or visit with anyone inside the school, please park your vehicle legally and walk to meet your child.
- Do not ask/expect your child to walk in front of another car to get into your car. This is extremely dangerous.
- Please help the school staff and police officers by being extra diligent in following these procedures.

Student safety is our utmost goal at the Riverside Police Department. *Thank you in advance for partnering with us to make sure that all District 96 staff, students, and parents are safe!*

Sincerely,

Thomas Weitzel
Chief of Police

Dr. Jonathan Lamberson
Superintendent
