

Say it in 7 Poetry Contest

April is National Poetry Month!

To celebrate National Poetry Month and Earth Day in April, we invite Brookfield students and residents of all ages to celebrate the natural world in just seven words. Poems must be 7 words in length - no more, no less - and be about nature or the environment.

Entry forms are available at the Information Desk, and are due by April 30. Winners might see their poems displayed at Great Bear Wilderness at Brookfield Zoo! Grand prizes include:

Grades 1-5: Nintendo DS

Youth Adult: iPod Nano

Adult: NOOK eReader

“Say It In 7” was created locally, and inspired by the Language of Conservation project.
