WHAT IS CUB SCOUTING?

Cub Scouting is a part of the Boy Scouts of America that serves boys in the elementary grades (first through fifth). It is actually three programs specifically designed to meet the different needs and abilities of those boys: Tiger Cubs for first graders, Cub Scouts for second and third graders, and Webelos Scouts for fourth and fifth graders. Today, over two million boys in America are Cub Scouts.

WHAT ARE THE PURPOSES OF CUB SCOUTING?

Simply stated: Influencing the development of character and encouraging personal growth; developing habits and attitudes of good citizenship; encouraging good sportsmanship and pride in growing strong in mind and body; improving understanding within the family; strengthening the ability to get along with other boys and respect other people; fostering a sense of personal achievement by developing new interests and skills; showing how to be helpful and do one's best; and providing fun and exciting new things to do.
