

FREDERICK LAW OLMSTED SOCIETY LANDSCAPE WORKDAY

***** Wear long pants & a long-sleeved shirt *****

Please join us & John Kolar, Forest Preserve District of Cook County Master Stewart, in celebrating Earth Day & Central School's Turn Off TV Week & Arbor Day & Frederick Law Olmsted's Birthday (b. April 26, 1822) by removing Buckthorn & Garlic Mustard from our very own Miller Woods!

Saturday, April 24th, 2010

9am - 12pm

Miller Woods (Riverside & Lionel Roads)

Last year we held several workdays in & around Miller Woods. We worked to clear the sidewalk along Riverside Rd leading up to Miller Woods. We worked in Miller Woods to make a walking path along the Des Plaines River, past the old manmade storage caves & beaver damaged trees to Odgen Avenue. We also removed vast amounts of Buckthorn & later burned it.

Come for an hour or three, whatever your schedule allows. Supervised children are welcome. Service hour credits are available. **Bring your favorite work gloves & a water bottle.** All other supplies & snacks will be provided. For this workday in the woods, be sure to **wear long pants & a long-sleeved shirt**

Thanks in advance,

Holly Machina & Cindy Kellogg, FLOS Landscape Committee Chairpersons
