Train With the Best:

Lions Jrs. is teaming up with members of the Riverside Brookfield varsity volleyball program to host a four session spring volleyball clinic for boys and girls in grades K through 8.

Lions Jrs. is one of the best regarded junior volleyball organizations in the nation. This past club season, Lions Jrs. was one of only five clubs in the United States to have a top 25 nationally ranked team in each age group and the only club in Illinois. The club earned six medals at nationals that included one first, one second, and four third place finishes.

Most of our club players move on to play collegiate volleyball. This past college season, we had 90 alumni playing with seven of these players earning All-American honors. Two of our alums were members of the Penn State National Championship Volleyball team.

Lions Jrs. players can be found on varsity teams throughout the Chicagoland area. Four of the six first team all state Chicago Tribune players were from the club.
