

## **WANTED: Artists at the RAC!**

The **Riverside Art Center** offers a variety of media classes for adults, teens and children of all ages! If you have a child with a busy schedule this fall, there are quite a few workshops last only a few weeks - a perfect way for your child or teen to get into the art room and get a little messy without making a semester long class commitment. And for those of you grownups looking for a creative outlet this fall, we have a variety of adult classes and workshops available. If you don't see a class that works with your schedule, consider the "build your own" class option!

Classes start soon, and there are limited spaces so don't delay in signing up. Call Elaine Leonard at 708-289-2486 with questions, or e-mail [elainemaria@sbcglobal.net](mailto:elainemaria@sbcglobal.net).

**We hope to see you at the RAC this fall!**
