

A CELEBRATION OF RIVERSIDE RECREATION

# HULLABALOOZA

**November 13, 2010**  
**5:00 – 8:00 pm**  
**@ the RBHS Field House**

**COME OUT AND PLAY**

## You are invited to be a part of this special community event.

The evening will include multiple activities for children of all ages, a special recognition of past and present volunteers and business sponsors that support Riverside recreation programs and events, and a tribute to long-standing Riverside Parks & Recreation Board member **Ellen Herda**.

**The Riverside Parks & Recreation Department** is committed to enhancing Riverside residents' quality of life through programs, activities and park services. This includes everything from music and sports programs, computer and art workshops, mom-tot and adult programs, to senior activities. Special events and activities are also critical to their mission – from the **Easter Egg Hunt**, **Fourth of July Celebration**, **Cori's Kids Triathlon**, ski trips and canoe outings, to facilitating the **Winter Sledding Hill** and **Big Chill Ice Rink**.

## Be a part of Hullabalooza!

Still have that recreation shirt from soccer, basketball or little league baseball or softball? We will give special recognition to all kids that wear their jersey at the Event. Still have that coach's or business sponsor's team photo plaque? Bring them all out for display, and let us recognize you for your dedicated participation and support.

Some of the scheduled family fun activities will include:

- Rock climbing wall
- **Chicago Fire** inflatable obstacle course
- Mini Triathlon
- Wiffle ball game
- Fun ball soccer match

Enjoy the food offerings of Riverside's own **Mi Casita**, **Mollie's Public House**, and **Soul Amici**. And, don't forget to take advantage of a chair massage, compliments of **Multicare Health Center**.

**The Community Events Council (CEC)** is a developing effort to create an umbrella organization of individuals and independent organizations willing to donate their time and energies to put on and support worthy community events. CEC's mission is to build community awareness and involvement for a stronger and more vibrant Riverside.
