Office of the Chief of Police

Dear Parent/Guardian:

I urge you to sign up for this free email notification system.

The Riverside Police Department launched a new Community Information Service designed to deliver important and timely information to residents in our area using the latest technology.

This service, Nixle, delivers trustworthy and important neighborhood-level public safety and community event notifications instantly sent to you by cell phone text message, email, and web. There is NO Spam or Advertising.

Nixle is completely free (standard text message rates apply for cell phone subscribers who do not have text plans with their cell phone providers).

The service is simple to use, reliable and trusted.

Register now and learn more at www.nixle.com. Click on Register now and follow the instructions. Choose the Riverside Police information only.

You decide what information you want and whether you want it sent to your cell phone, email, or just simply over the web.

We are very excited to have you experience it for yourself.

Sincerely

Tom Weitzel
