At the time of registration, parent or legal guardian of all new and/or transferring students must complete a Certificate of Residence Form. In addition, at least five (5) original unaltered items of identification must be presented as evidence of residency:

- **Drivers license or State Identification Card (required)**
- **Home ownership title, deed or apartment lease (required)**
- **At least 3 of the following:**
  - Utility bill (water, electric, gas, internet, gas, phone)**
  - Auto insurance**
  - Homeowners insurance**
  - Credit card statement**
  - Bank statement**
  - Paycheck stub**

These items of identification will be reviewed by the District employee interviewing the parents at the time of registration and notation will be made on those items of identification provided by the parent or legal guardian. The completed Certificate of Residence must be on file at the District office before registration will be considered complete and enrollment allowed.

B. **Appeal Procedures.**

In the event that the school principal denies enrollment, the parent or legal guardian may appeal the decision to the Superintendent, who shall make a decision within five (5) school days. If the student is not satisfied with the Superintendent's decision, the student may petition the Board of Education, which shall act on the petition at its next regularly scheduled Board meeting. During the pendency of this question, the student may not enroll in the school on a tuition-free basis. As part of the investigation process, the District may require the parents and/or guardians of the student to complete Affidavits of Residency and produce additional proof of legal residency.
